

Corporate Advantage

Buy for less, trade for more

What is the Corporate Advantage?

Corporate Advantage is an innovative discount plan that rewards loyalty. Aimed at matching the software testing needs of both large and small organisations, the scheme provides a range of accredited testing certification courses for corporations that recognise the need for employee progression within their organisation whilst also demanding the best possible value for money from their provider.

What are the benefits of Corporate Advantage?

With **Corporate Advantage** you can:

- purchase 'course credits' at incremental discounts
- mix & match courses to suit your exact staffing needs
- protect against any future price increases, and
- arrange an in-house venue for group training, for even bigger savings
